

Job Title: Software Development Engineers

Salary: £25,000 – £30,000

Black Marble is an award-winning software house focused on the Microsoft platform, delivering innovative solutions on the most up-to-date technologies.

And we're recruiting!

Due to company growth and the success of our software solutions, we are looking for Software Development Engineers (permanent roles), ideally candidates will be a graduate with a relevant discipline and 2 or 3 years' experience in the field (an intermediate level). You will be involved in the full project lifecycle, implementing bespoke web and software applications, covering a wide set of Microsoft Technologies, and/or experience in Android and Xamarin development.

You should have a familiarity with developing for .NET, using C#, and ideally using Visual Studio.

In return, Black Marble will offer a competitive salary, a great working environment with exposure to cutting edge Microsoft technologies, and excellent training opportunities.

If you are interested, please email your CV and covering letter to HR@blackmarble.com or call 01274 300175, and ask for Abby. Please ensure you include the role you are after.

We do not deal with agencies.

This role is based in the UK, and Black Marble is not registered with the UK Border Agency to be a Licensed Sponsor and therefore we are unable to accept applications for sponsorship under the Tier System.
